

Quarterly Operations Review

Executive Summary

Throughput rose 14% quarter over quarter while unit cost held flat. This document was produced natively, so every glyph carries an exact coordinate that the decompiler reads directly. No page image is ever rendered for this text.

Bold lead-in. The remainder of this sentence is regular weight and continues here.

Key Actions

- Re-thread reading order across multi-column layouts
- Reconstruct tables from column alignment
- Flag scanned pages for OCR instead of guessing
