

Ruled Table

The table below is drawn with ruling lines; its cells do not share aligned starts.

Item	Description	Amount
Widget A	Anodized aluminium, boxed in sets of ten	1,250.00
Widget B	Plain steel	980.00

Text after the table continues normally.

Rotated Sidebar

Upright paragraph text sits here and reads normally across the page.
It continues for a second line of upright text.

CONFIDENTIAL DRAFT ROTATED SIDEBAR
second rotated line of the sidebar

Equations

Inline: the energy is $E = mc^2$ and the angle θ is small.

$$\sum x_i^2 = \pi + \alpha\beta$$

Where the sum runs over all samples in the set.
